(Time allotted 120 minutes.)

The questions in the test may be asked on all or any of the above syllabus. The medium of question paper will be English and Marathi.

All the questions would be objective with multiple choices and having only one correct answer. Each question will be followed by answer choices which are numbered A, B, C and D. Select the most appropriate answer. Then using the black ink ball point pen blacken the circle, in the answer sheet, bearing your choice of correct answer against the serial number of the question. Please note that the circle should be dark enough and should be filled in completely.

The nature of questions is given for information in the following Samples. The samples are given only to indicate the type of questions and not the exact questions in the examination.
